WELCOME TO OPEN STUDIOS NOTTS!

OSNotts is an annual event, celebrating the creativity and passions of Nottinghamshire's makers and creators. Each year artists welcome visitors into their studios, homes and gardens to share their work and their process.

Most events are free to visit, and this brochure contains the details of everyone taking part. You'll discover painters, sculptors, furniture makers, jewellery makers, potters and more.

Events in the brochure include:

Inspire Libraries Exhibitions (27 April to 9 June)

Open Studios Events (May & June)

Lady Bay Arts Trail (18-19 May)

Patchings Art Festival (11-13 July)

Do visit and support artists & makers in our county & city.

Enjoy a Safe Visit

Artists may still have Covid measures in place. Please respect the artist's space.

Wear a face covering if requested, use hand sanitiser and be aware that artists may limit visitor numbers at any one time.

BRINGING ARTISTS INTO VIEW

Inspire: Culture, Learning and Libraries supports Open Studios Notts by commissioning and curating exhibitions in their Library Galleries. The photographs in the exhibitions capture rare and varied behind-the-scenes images of the working worlds of artists and makers.

Bringing a selection of the county's artists into view through these exhibitions is an important part of fulfilling our mission. We deeply appreciate Inspire's continued support.
