Guest at - The Workshops, Grendon Lodge, Main Street, MATTERSEY DN10 5DZ

R FW (Refreshments available)

Following 30 years photographing the world's famous and infamous dignitaries and celebrities, I decided that my work needed a new purpose and direction. I have, over the past 10 years created a comprehensive Collection of Photographs titled Immune from Praise and Abuse, which capture powerful portraits of 'everyday extraordinary' people, conveying their intimate and personal stories through my photography, celebrating who they really are, rather than who they are expected to be.
