*Cath Ray Gallery & Studios is an oasis of calm in which to produce and appreciate Art in all its forms. Set in a large single storey building in the corner of St. Michael’s Place, set back from the bustle of the Bridgegate in Retford. The **main gallery space** has exhibited work by painters, ceramicists, a paper-cutter, jeweller, & photographers. These solo exhibitions change every two months and are displayed alongside a **gallery shop** with a range of cards and smaller art & craft items for sale.*

*Classes and courses also take place in the well-lit workshop space at the rear of the gallery and there are also four permanent artists’ studios within the building, where painters, printmakers and textile artists work. The gallery is open six days per week (closed on Sundays) and runs **after-school clubs** for children aged 5-16yrs and offers **individual tuition** as well as a programme of classes and courses and drop-in studio sessions throughout the week.*
