C/R PW (We are next door to The Plough Pub. Norwell Nurseries Open Sunday 19th Tea & Cakes. New gallery barn section is wheelchair accessible, then low threshold to main 'throwing' making area – accessible with care!)

I was born in Yorkshire, raised in the flat fens of Lincolnshire, relocated to London and Brighton and am now based in Nottinghamshire. I gained a BA in Illustration from the University of Kingston in 1999 and have been a practicing illustrator ever since.

Pivoting into fine art in 2021 my painting work has focused on the natural rhythm of landscape, which often emerges organically from an abstract underpainting. I have already exhibited my work in two solo shows and two successful group shows and been selected for several high profile Open Exhibitions in 22/23. I work from my painting studio in the garden of my house where I lives with my son and my dachshund on the outskirts of the market town of Newark on Trent.
