*Lady Bay Arts is a community organisation which focuses on celebrating creative communities, be that local to Lady Bay or further afield to Nottingham and the East Midlands. The Lady Bay Arts 'Festival Weekend' takes place in May and is a celebration of the arts in the public buildings, houses, studios, local businesses, and gardens of Lady Bay. **More than 32 venues and over 60 artists regularly take part.** The event will feature makers and creatives bringing a range of work, collaborative activities and more to inspire visitors.*

**In 2024** we will be showcasing Lady Bay artists and celebrating creative local communities as well as guest artists from around the region, ensuring there will be even more opportunities to discover new work. **Main entry points are Lady Bay School & All Hallows Church.**
