PW (Main access through grey door on main shopping street, next to T&Y Nail Bar. Inside, follow signs for studio - via ramp or steps to top. Rear access from Cyril Avenue - cars can drop off disabled persons but cannot park there unless agreed prior to the day)

A dynamic collective of artists & makers who have shared a studio for over a decade. We print, sew, draw, paint & create mosaics. This is our new studio in Stapleford, and we are eager to contribute to the local community. **Lou Case** (printmaker & textile artist), **Jeff Case** (screen printer), **Sue Coram** (screen printer), **Helen Goodman** (printmaker & mosaic artist), **Jess Smith** (printmaker), **Evelyn Wigmore** (printmaker) & **Peter Wigmore** (screen printer & portrait artist).

Our artist's **collective began in 2010** in Sherwood. We use a **shared studio space** kitted out with specialised equipment for screen printing, lino printing and textiles. **Regular group exhibitions**, both within our studio and at prominent venues like the Nottingham Society of Artists and Nottingham Contemporary Print Fair, showcase the diversity of our art. We have participated in Sherwood Art Week every year. Recently, our collective has relocated to an exciting new studio in Stapleford.
